Do you want to receive a free iRobot Roomba Create and Sun SPOT? ☐ Yes ☐ No  
If yes, please sign deposit agreement below and mail to:

**Wintriss Technical Schools**  
12707 High Bluff Drive #200  
San Diego, CA 92130

All participants are entitled to receive an iRobot Roomba Create and Sun SPOT controller on the condition that they actually participate in the competition. The value of these components exceeds \$450. However, if a team accepts these components and competes, there will be no charge to the team for this valuable material. If a team accepts the Roomba and Sun SPOT but does not alter or damage these components and does not ultimately wish to compete, such components may be returned in original condition, at least fourteen days prior to the competition, and a credit shall be issued against the deposit. However, if a team accepts the iRobot Roomba Create and Sun SPOT but neither competes nor returns those items in their original condition, then there will be assessed a \$450 charge to support the provision of such components in future contests. You agree, by signing below, that these are the terms under which you are accepting the iRobot Roomba Create and Sun SPOT. After the contest, if your team does not attend the competition and attempt the maze and the components were not returned at least fourteen days prior to the competition in their original condition, the \$450 deposit shall not be credited. The undersigned cardholder authorizes Wintriss Technical Schools, Inc. to charge the amount of \$450 to the credit card identified below immediately. You further agree not to contest these charges, as you have received full value upon receipt of the components described above. By signature below, the cardholder authorizes Wintriss Technical Schools to charge \$450 to the identified card, to be refunded upon participation in the competition or return of the components unaltered.
